**VETERAN'S DISPLAY**

Members of the Historical Commission's exhibit committee have been working hard to prepare the Museum for Veterans Day. For our Veterans exhibit this year we focused on WWI. Hours and hours were spent looking through old Franklin Sentinel newspapers to collect wartime stories from the first World War. 2014 marks the 100th anniversary of the start of the war. The U.S. entered the war in 1917 and many Franklin men answered the call to arms. Visit the museum to learn of the brave young men from our town who fought to keep us all free.

We have dozen's of photograph's of Veterans from Franklin, but we have not been able to identify them. Please email: [info@franklinhistoricalmuseum.org](mailto:info@franklinhistoricalmuseum.org)

Visit us on Facebook for all of our current events.
